

I CAN TOO FOUNDATION

The Luxury of the 21st century is to think of others

OVER 19 107 CHILDREN
WITH DISABILITIES LIVE
IN BULGARIA TODAY

Our mission is to make
life easier for children
with special needs

By utilizing Media and Cultural events we RAISE
FUNDS to improve the inadequate life conditions
for these children

Our goal is to make society AWARE of the problems
they face everyday

AWARENESS is our catalyst for Change

WHAT WE DID (SO FAR)

I Can Too Rehab Medical Center

In 2008 we opened a Rehab Medical Center for children with disabilities in Sofia. It was created with social participation and the financial support of different companies as well as individuals

The Center was designed by the best rehab center in Western Europe – The Kindercentrum - Munich, Germany

Center for Autistic Children

Our next project is to help The Association of Parents of Autistic Children to open a day-care center in Plovdiv

INTERNATIONAL PROJECTS

New offices

We are opening offices in Europe and USA. The foundation is planning Initiatives together with international organizations and companies

We are attracting more and more
AMBASSADORS OF GOODWILL
around the world

AWARDS

BEST CAMPAIGN OF 2010

In 2009 we were nominated by two institutions in three categories:

1. By The Bulgarian Helsinki Committee for “Organization of the year” - for contribution and support of human rights
2. By Grazia Magazine - the president of the foundation Nelly Radeva was nominated for "Woman of the year 2009" in the "Charity" category
3. By Grazia Magazine - nomination and prize "Ambassador of I Can Too" - for the supporters of the foundation - the singers Alex Raeva, Maria Ilieva, and Krista and Viky from Mastilo band

OUR INITIATIVES

Musicians in School

Supporting talent among children with disabilities

A child with cerebral paralysis

band D2

Bulgaria – accessible for everyone

We invite society to join us in solving the problem with the inaccessibility of infrastructure for people with disabilities.

Media and Cultural events with a social purpose

Many Bulgarian and international celebrities support the initiative to make the Government focus on current challenges for these children, and the need for new laws to help them

We have organized more than 200 concerts in support of ICT projects
